

JULY 2007

## THE KBB BULLETIN

Keep Bulloch Beautiful's E-newsletter

### IN THIS ISSUE:

- KBB sponsors Community Tool Bank
- Litter Index 2007
- Recycling Education Video
- Program Coordinator
- Thrivent provides grant, volunteer assistance

### COMMUNITY TOOL BANK

The chance to beautify your surroundings! Keep Bulloch Beautiful (KBB) is now providing a community tool bank open to groups, businesses and organizations in the surrounding area. The goal is to supply our community with a variety of tools to be used (free of charge) for landscaping and other beautification projects. Tools available for use range from gardening and landscaping gear to painting supplies. KBB is also in need of donations of tools and other supplies to further improve the tool bank. Check out the tool inventory at [www.keepbullochbeautiful.org](http://www.keepbullochbeautiful.org) and click on the Community Tool bank link.

### LITTER INDEX 2007

Each year, KBB completes a litter index survey of the county. The data collected during this visual survey serves as a basis for evaluating progress and determining areas of need for the upcoming year. This year's Litter Index is scheduled for Friday, August 10. Teams will split up and survey different areas of the county and volunteers are needed. Each area will take about an hour to index. To volunteer, contact Brooke at 764-6147 or [brooke@keepbullochbeautiful.org](mailto:brooke@keepbullochbeautiful.org).

### RECYCLING AND SOLID WASTE EDUCATION VIDEO

KBB, with the help of Josh Aubrey, has produced a local video that aims to teach Bulloch County residents and visitors everything you never wanted to know about trash. The video, which features local schools, KBB volunteers and public officials, The recycling education video will be distributed to schools and other community centers throughout Bulloch County. Free copies can be requested from the KBB office.

### THRIVENT DONATES TIME AND MONEY TO KBB

Our local chapter of Thrivent Financial for Lutherans recently presented KBB with a grant check of \$1000. The donation was used to supplement the recently purchased business recycling containers. Thrivent volunteers also spent a Saturday working around the KBB office improving the Mobile Classroom, making recycling games, and preparing the business recycling sets for distribution. Below, two Thrivent volunteers make backboards for the new recycling basketball game that will be used as part of the Mobile Classroom activities starting this fall.
