Dear Potential Volunteer,

On Friday, March 16, 2012 approximately 800 fourth grade students will attend the 2011 Children's Water Festival hosted by Keep Bulloch Beautiful (KBB) and Georgia Southern University. KBB is seeking your support!

The Children's Water Festival is an educational event, focused on water science and water conservation that is targeted to fourth grade students. Students will learn about water quality, the water cycle, water habitat, and how they can limit waste and pollution in their daily lives.

The festival will take place on the campus of GSU from 9:00 a.m. to 1:00 p.m. and all 4th grade classes in Bulloch County are invited to attend. This festival will include many activities such as: hands-on classroom activities and presentations, professional water entertainers, indoor and outdoor activities, as well as a snack/break station.

Attached is a registration form for you to fill out if you would like to help volunteer! **Please return all forms by Friday, March 2, 2012.** We will contact you with specifics as the event nears.

Remember, the 2012 Children's Water Festival, as with MANY Keep Bulloch Beautiful projects, would not be possible without you! On behalf of the festival, we thank you in advance for your enthusiasm and support.

Please feel free to contact me with any questions you may have. I look forward to working with all of you!

Best,

Kelly Collingsworth

- Runner
- Put me where I'm needed!

Do you know anyone else (individual or group) that may be interested in helping? If so, see below.

- Yes! Name: _____
Phone: _____
E-mail: _____

Volunteer Duty Descriptions:

All volunteers are asked to wear a festival t-shirt and pants.

___ **Volunteer Class Guides:** The duty of a volunteer class guide is to lead one class around campus for the entire festival. The guide must make sure the class leaves each session in time to arrive at the next session on-time. The guide must stay with that class during each session to act as an additional pair of hands if needed. In addition, the guide must attend a mandatory workshop in advance on the Ogeechee Technical College campus.

___ **Classroom/Presenter Volunteers:** The duty of a classroom/presenter volunteer is to provide help to each presenter. The volunteer will spend the entire day with the presenter and aid them with their presentation. These volunteers will either be in a classroom or outside, depending on the activity.

___ **Runner:** The duty of a runner is to take materials, drinks, and lunches to and from areas of campus when needed. This position may require a lot of walking.
