

2011 Great American Cleanup-10th Anniversary

It is hard to believe another year has gone by and the Keep Bulloch Beautiful (KBB) office is getting prepared for the **2011 Great American Cleanup!** Over the last 10 years through the Great American Cleanup, over 15,000 volunteers have contributed around 60,000 hours of service to clean up more than 250,000lbs of trash! These staggering numbers, however, show an exciting revelation; the amount of trash being pick up year to year is decreasing giving us comfort that our programs, such as the Great American Cleanup, are working to educate our residents about the litter problem in Bulloch County.

The 2010 Great American Cleanup will be held on Saturday, April 24th, 2010 from 9am-1pm. This is a great opportunity for your organization, neighborhood, business, or church to volunteer your time and give back to your community. Registered teams will be conducting community cleanups, roadside

pickups, and/or community beautification projects on this day.

Please visit www.keepbullochbeautiful.org for registration forms or see the attached form. Every team **MUST** fill out a registration form in order to participate!

KBB is also very proud to announce Tommy David as chairman of the 2010 Great American Cleanup. Mr. David and First Southern National Bank are wonderful supporters and dedicated sponsors of KBB and our mission, and we are ecstatic to have him as the "face" of the GAC this year!

Special Event Recycling & Recycling Trailers

Take advantage of KBB's Special Events Recycling Trailers this month. Any event that has a need for recycling, our trailer can be of great service! The trailer includes 100 collapsible bins and lids, ample bags, and hundreds of promotional items—available to individuals or groups, at NO COST TO YOU!
